25 } STIPULATED NOTICE

26 Pursuant to the conversation with the Court by both counsel for both sides yesterday  
27 afternoon, this notice confirms that the parties have reached a confidential settlement of this  
matter in principle, subject to approval by defendants' insurer, and that the parties, therefore,  
respectfully request that the Court suspend all activities in this matter, including any decision  
on plaintiff's pending motion for reconsideration of the Court's summary judgment decision  
and further briefing on plaintiff's motion to reopen discovery. Defendants' insurer requested  
two weeks to consider the proposed settlement. Subject to that approval, the parties anticipate  
filing a joint stipulation for dismissal with prejudice shortly thereafter.
